

Ashley Canty

Contact	609 674 6029 - canty.ashleyj@gmail.com - Pleasantville, New Jersey
Education	Rutgers, The State University of New Jersey B.S. Computer Science 2018 Dean's List Spring 2015
Projects	<p>Wunderapp - Created a non-responsive, single-page app based on a Wunderapp redesign, and was built using HTML, SASS(flexbox), and Javascript.</p> <p>IMDb - A responsive, single-page app that was inspired by an IMDb redesign, and built using HTML, SASS, Bootstrap 4, and Hyperapp.</p> <p>Dynamic HTML Table - Built using HTML, SASS, and vanilla Javascript. An array of objects is looped over to dynamically generate an HTML table and populate cells with data. Conditional statements are used to apply CSS classes to table rows based on certain property values of the current object.</p> <p>Schedule Manager - Developed a responsive website based on a layout found on Dribbble.com using HTML, CSS, and JQuery.</p> <p>Whatcha Lookin' App - Created an Android app in Java, that was integrated with Google Firebase Cloud Messaging and implemented both Card and Recycler View. This was senior project for the information security firm, Castle Ventures.</p> <p>Online Quiz - Developed the front-end of an MVC based online quiz system, using HTML, CSS, Javascript, PHP cURL and JSON. Questions and answers were received as JSON objects that were loaded into a dynamic filter table using PHP and Javascript.</p>
Skills	Proficient in HTML, CSS/SASS, and Java Familiar with Javascript(ES5/ES6), JQuery, Bootstrap, PHP, JSON, and Git Good understanding of Object-Oriented Programming Currently studying React
Tools	Mac, Windows, Atom, Gulp, Webpack
Work Experience	<p>Library Assistant Atlantic Cape Community College 2018 - present Assist patron with ready-reference questions and reader advisory, bibliographic instruction and database searching.
